Deloitte Corporate Finance LLC Advises Pohlman USA on its sale

Deloitte Corporate Finance LLC ("DCF") acted as the exclusive financial advisor to Pohlman Court Reporting, LLC ("PohlmanUSA" or "Pohlman"), a portfolio company of Cottonwood Acquisitions, and a national court reporting, eFiling, and litigation services firm, on its sale to Veritext Legal Solutions.

Leveraging over three decades of experience, Pohlman is a trusted provider of litigation support services for complex and multi-party litigation. Utilizing a national network of independent court reporters and a technology enabled platform, Pohlman provides deposition and trial services, records retrieval, and electronic filing and serving to both plaintiff and defense law firms across the United States.

"The Deloitte team brought deep industry expertise and a strong understanding of the relevant buyer universe to the table. They acted as partners throughout, and their hard work and well-staffed team were key to achieving a successful transaction on the timeline originally set out." said Steve Larson, founding partner of Cottonwood Acquisitions.

"Litigation support service providers with strong leadership, differentiated technology, and loyal customers remain in high demand." said James Miller, managing director, Deloitte Corporate Finance LLC. "It was a pleasure advising the Pohlman team and we look forward to seeing what the Pohlman and Veritext teams can accomplish together."
